### **Engaging in Discipleship**

*For break-out discussion following the forum talk*

Let's set aside our thoughts about the lawsuit with the national Episcopal Church for a moment and look at the reality of authorities in our life.

1. What was it like to be under authority growing up (parents, teachers, boss)? Talk about what it is like to live under authority.
2. Now let's try to be honest. How did you try to circumvent those authorities at times? Talk about the difficulties of submitting to authority.
3. Coming back to the matter of tonight's presentation, what does it mean to say that the Bible has authority for the Church and for the Christian? What does it mean to say "Jesus is Lord"?
