Conference Sessions

Session 1

Laying the Foundation

Friday, April 27 from 6:30 to 9 PM

In this session, we will learn what it means to have a love relationship with God and experience Him personally. We'll learn how to recognize God's activity around us, hear His voice when He speaks to us and how our lives develop a purpose when we make adjustments and join Him in His work.

Session 2

Assembling the Structure

Saturday, April 28 from 9 AM to noon

Continental breakfast - 8:30 AM

This session will complete a practical model of how our faith will grow as we live day by day joining God in His work. Our faith grows as we experience God personally and together as part of a God centered community.

Session 3

Building the Legacy

Saturday, April 28 from 6:30 to 9 PM

The final session on Saturday evening will challenge us with the wonderful opportunity to build a legacy of faith in our families and our community. We will look at how we "connect" with the next generations and come to understand it's never too early or too late to construct the legacy God has planned for us.

Richard, Mike and Henry Blackaby - a legacy of faith.
