Social Media

ADOSC

Mission & Vision

Personal vs. Professional

Do you know your 'why'?

Do you have boundaries?

Do you have a mission statement for social media use?

Playground

Making Goals

Creating strategy to:

- Bring God Glory
- Invite, "Come and See"
- Share Good News and provide others with a way to share news and invitations
- Know and connect within our DIOCESE (tags/likes/shares)
- Play well together:
 - Followers/Likes
 - Who do you play with?

We are ADOSC, we do not stand alone as a church on an island. The good and the beautiful of social media is the opportunity to share and collaborate. Will we?
