GRAVIE

Talking about your health plan with providers

When you start using your benefits, your provider may not be familiar with Gravie yet – and that’s okay! Here are some tips for talking about your new health plan and navigating your ID card.

Who is Gravie?

We process and pay your medical claims. Gravie Administrative Services LLC is a licensed Third Party Administrator (TPA) that manages self-funded health plans for employers across the U.S.

The Network

To ensure access to care wherever you may be, we partner with **Cigna**. Cigna offers one of the nation’s top-ranking Preferred Provider Organizations (PPO), and is the primary network for your health plan.

If your provider accepts Cigna’s PPO network, then you can go ahead and use your Gravie benefits!

Have a provider with coverage questions?

Check out the QR code on your ID card.

For a breakdown of your exact plan benefits and network logos — point your smartphone camera at the QR code on the back of your card. This is a great resource to share with a curious provider.

Providers should call to verify eligibility or coverage details for specific procedures.

Gravie Provider Services for Cigna Members: **833.486.3239**

Navigating your ID card

1. Plan Information

This section identifies some basic details, like who sponsors your health plan (your employer), and when it starts.

2. Who's Covered

As the subscriber (employee), your name and unique 9-digit member ID number appear first, ending in 00. Any enrolled dependents appear below.

3. Network Logos

Your primary and secondary network logos appear here.

4. Pharmacy Information

Magellan Rx is the Pharmacy Benefits Manager (PBM) for your health plan. The Rx numbers are used by pharmacists to verify your prescription coverage and submit pharmacy claims.

Your provider will use your ID card to verify benefits and submit claims for processing. **Have it on hand when you access care.**

Forget your card? No problem. Easily view or download a digital version from your [Gravie account](#) at any time.

Unlock your Gravie account to discover more plan resources.
