Anglican Missional Partnerships Committee

The committee normally meets in advance of each meeting of Diocesan Council, with this early 2026 meeting being an exception. The committee awaits the approval of a 2026 budget before making any allocations of its suggested financial support to diocesan sponsored missionaries.

New Wineskins Anglican Partners (formally AGMP)

The annual meeting of New Wineskins Anglican Partners will be held at Christ Church, Savannah February 18-21, coincident with the AAC and SOMA sponsored Rehydrate Conference. I will be in attendance as part of the leadership team for the Anglican Partners portion of this gathering, as well as attending as the diocesan representative as the Canon for Global Missions.

Sharing of Ministries Abroad (SOMA)

I have accepted the offer to serve a Trustee to the Board of SOMA-US.

Respectfully submitted,
The Rev. Canon Robert S. Lawrence
Canon for Global Missions
Chair, Anglican Missional Partnerships
