The Executive Committee of the Province of the Anglican Church in North America

The Rt. Revd Chip Edgar, Bishop, ADoSC, and

The Revd Mary Ellen Doran, President of Standing Committee

My brother and sister in Christ,

Greetings in the Name of our mutual Lord Jesus Christ.

I write today to propose that you receive a delegation from us in this Season of Lent.

The purpose of our visit would be to further mutual understanding, to consult, and to pray with each other. The issues which confront our beloved and diverse communion are indeed difficult enough that we ourselves should not add to them by indifferent communication.

Therefore, we desire to send to you, three of members and the Dean of the Province, also our Chancellor, to meet with three members of your choosing, and yourselves. Our thought and prayer are that this small gathering could do in person what the Lord requires of His people: an alignment of their hearts and minds for the benefit of His church. It is our deep belief that this alignment cannot be accomplished by zooming, emailing, nor indeed even weighty letters.

If this proposal meets with your approval, please respond to me at your earliest convenience with some potential dates for this gathering. Further, we would request a quiet location for what we anticipate would a private time of sharing, whether a morning or afternoon.

May the Lord bless and guide our mutual service in His Name,

/signature/

The Venerable Fr. Carl Eyberg, Vice Chair
