Subject: Re: Chancellor's Panel Report to Executive Committee, ACNA

...

Dear Chancellors, et. al.,

I have attached the written responses of the Parties' Counsel and the Respondent in the Ruch Matter with regard to my request for consent to any Review Panel.

The letters speak for themselves and in my view, bring an end to this pursuit.

Faithfully in Christ,

The Right Rev'd David C Bryan
Suffragan and South Carolina Area Bishop
Diocese of the Carolinas
